

## TRANSCRIPTION WORKSHEET

This exercise has two parts. Write down your transcriptions and bring them to the next section.

1. Using the phonemic alphabet, transcribe the following words. Use your own pronunciation as a guide. Do not try to second-guess what the "correct" pronunciation is: just transcribe accurately what you hear yourself say.

## TRANSCRIPTION WORKSHEET

2. Choose your own short passage (about 20 words) from poetry or prose, an aphorism, lyrics of a pop song, etc. and transcribe it. If separate words in a phrase are run together, ("Whatcha gonna do?") be sure to write it that way.
